Suitable for pipe sizes: **63mm - 180mm**

Product Details

Smooth Pipe Dispensing:
Unique central drum design ensures pipe is dispensed smoothly and safely.

Waste Reduction:
Pipe may be easily re-wound to save unused pipe (unreeled section between trench and trailer).

Enhanced Safety:
Mesh guarding on all four quadrants keeps coils securely contained.

GIS/E49 Compliant:
Conforms to GIS/E49 – Gas Industry Standard Specification for Polyethylene pipe coil trailer.
